

AsAbductState::start

```
graph LR; A[AsAbductState::start] --> B[Astronaut::setBeingChased]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'AsAbductState::start'. The right box is white with a black border and contains the text 'Astronaut::setBeingChased'. A blue arrow points from the right side of the left box to the left side of the right box.

Astronaut::setBeingChased
